# LEGENDS OF THE WEST 3RD ANNUAL BIKE & CAR FEST IN CARSON CITY NEVADA

The Carson City Downtown Business Association welcomes you to The Third Annual Legends of the West Bike & Car Fest Friday & Saturday, June 21<sup>st</sup> & 22<sup>nd</sup>! It has grown bigger with new events, activities and participants. With help from the Freaks of Nature Car Club, DBA volunteers and the Blue Knights this event promises to be a good one. First up, starting on Friday afternoon, Carson Street will be closed off for the Tenth Annual Motor Officer Challenge competition. This two day competition brings Officers from several western states. Competition starts on Friday and continues on Saturday.

Friday evening offers early registration and a new "Cruise Night". Cars and bikes can participate in the "Downtown Loop" and show off their beautiful babies. The public is encouraged to bring their chairs and watch the show. But wait-- there is more! A new twist on cruising with your bike, ok, BICYCLE, is called "Blinky Man". With some inspiration from Burning Man, bicycle enthusiasts are using their imaginations to decorate and illuminate their rides to do a Friday night ...well, an adult pub crawl, kinda thing all around Carson City.

Kyle Horvath of Panacea Planning Group and Greg Pisarski of Carson Now, co-creators of Blinky Man, said "We hope everyone will enjoy this fun and unique event and look to do it again next year."

Ok, this sounds fun, I got a new Beach Cruiser for Mothers Day and I can use zip ties, duct tape, Christmas lights and batteries like a pro. I'm in!

Also downtown on Friday in the Nugget parking lot, is a T-bucket

car show. Not a part of the Legends event but, it makes for a fun-filled weekend for all. The Award Ceremony this year will be on Saturday and is hosted by Jimmy G's Cigar Bar out on the back Patio. Susan

Kerkla-Melvin Owner of Jimmy G's, said "We are so happy to be hosting this year, this is such a fun event and we love how it brings people to our beautiful Downtown Carson City!"

Friday and Saturday night will have many downtown music offerings, fantastic restaurants, shops and Casinos to enjoy. This weekend will be yet another reason to come enjoy historic and beautiful Carson City. Warning! Carson City is known for showing people a good time. So get ready! See you there! Slayin' te! - Irish for, "Cheers!"
